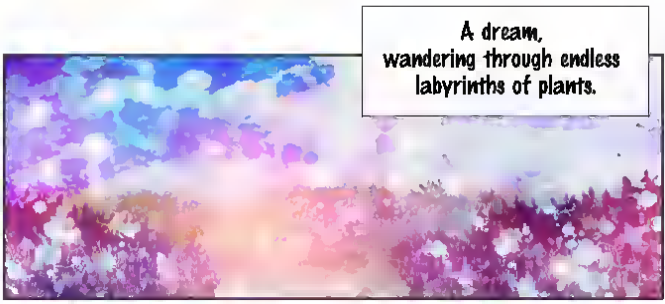
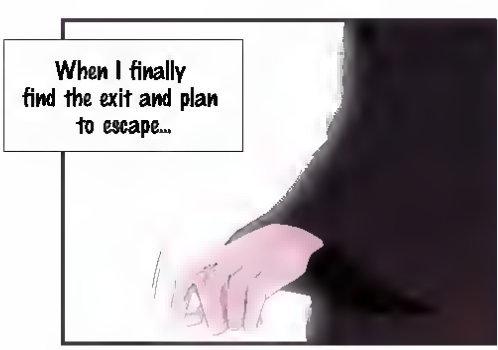
Here
I am again.

I've been
having the same
dream for a
few days now.



A dream,
wandering through endless
labyrinths of plants.

I wander
infinitely through a
garden without exit.



When I finally
find the exit and plan
to escape...

He is always standing there.

In my dream, he...

... gives me a smile that he will never give in reality.

Then, as if I am bewitched,

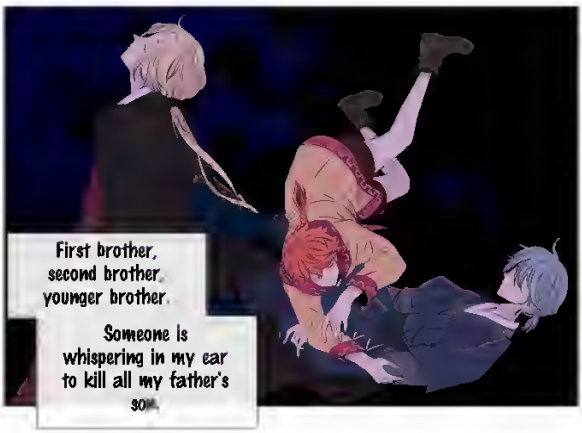
SSK

GASP
I try to strangle him as hard as I can.

I don't want to do it, but in my head...
...there is a voice yelling at me constantly to kill him.

I hear the voice telling me to kill my brothers.

KILL!
YOU MUST
KILL
EVERYONE!



First brother, second brother, younger brother.
Someone is whispering in my ear to kill all my father's son.
